YOUR DOCTOR WANTS TO SEE YOU - HEALTHY

The best health insurance of all is a physical check-up by your doctor—at least once a year, even if it's a fiddle.

Medical facts prove conclusively that it is easier and far less costly for your doctor to keep you healthy than to cure you of illness. How long has it been since you visited your doctor? If it's over a year, call him today and make an early appointment.

He's nothing to sell you but good health.

PUT A SPRING IN YOUR STEP WITH ELASTIC STOCKINGS

Courtesy Advertising Services Inc. 1961

The active outdoor season is in full swing. Are you getting the most out of your elastic stockings from GANT-CHEFF? They're sheerly wonderful—so soft, so stretchy, so comfortable you can see them through, yet so firm they provide comfortable support. And they're durable. Economical, too—these quality-made supporting stockings outwear ordinary elastic stockings. Priceless in the healthy comfort they provide.

Funeral arrangements are being made in the obituary column.

Community Hall To Be Built At Venice Project

The Madison County Housing Authority is acting to provide space for community activities in three areas where it operates in various housing projects, including Venice.

Dale F. Branner, executive director, reports the authority has been instructed to start plans for new "community building" structures at Alton, Collinsville and Venice.

The new facilities will be located at the E. B. Cullen Homes at Alton and the John J. Sullivan Homes at Alton; at the Northgate Homes project at Collinsville; and behind the former Calvary Cemetery, Lee Wright Homes in Venice. The latter project will be a separate building constructed near the present Lee Wright office, adjacent to Klein and Biessel streets.

In addition, existing facilities at the Greenes Home project will be converted to a new recreation and meeting facilities created in the present Gareches maintenance building.

Total cost of the new buildings is estimated in excess of \$120,000. Bagger said.

1370-Foot Vein Building

The plans already approved by the Greenes Home project will be submitted to the Chicago Regional Office.

Also, a request has been made by Fr. Hiettson, pastor of St. Alexander Church, Beardstown, and Rev. Casimir T. Tolusius, pastor of St. Benedict Church, Auburn. All four monasteries are Diocesan Consultors.

Boy, 4, Recovers From Delicate Heart Surgery

Delicate "open heart" surgery has placed four-year-old Mark Harris on the road to complete recovery, according to his parents, Dr. and Mrs. Michael Church, Greenfield, before coming to Venice.

Also, a request has been made by Fr. Hiettson, pastor of St. Alexander Church, Beardstown, and Rev. Casimir T. Tolusius, pastor of St. Benedict Church, Auburn. All four monasteries are Diocesan Consultors.

EDITORIAL

Important That All Help Make New Judicial System A Success

Opening of a community-wide district justice of the peace system to handle the state of a police emergency for the judicial system in Illinois. Our police magistrates also will be placed on a salary basis when their new terms begin in a few days. We hope that both the judicial officers themselves and the public will strive to make the new system work.

The old JF and magistrate system has been defined jokingly but often truthfully as not "justice of the peace" but "judgment for the plaintiff." This is because the two systems were synonymous with the same plain decisions can be based entirely on the issues and evidence, lending new dignity to the courts. With fewer courts—four instead of the previous 20 "courts" in the Quad-Cities—each will have added stature.

It will be essential for the police and magistrates to make themselves available whenever necessary to handle cases and conducting hearings, or to work out some alternative, such as taking turns in being available on nights and weekends. Handling of traffic cases already is causing concern among state police, who understandably do not want to be placed in the position of setting and accepting cash bonds for offenders at the side of the highway. Perhaps a uniform schedule of bonds, adherence to posted rates of driving license can be established, with police stations and sheriff's offices serving as the location for such transactions when courts are closed.

Unless the "bugs" can be ironed out, the new system is in jeopardy. But it offers too great an improvement over the past to allow that to happen. The salary and expense allowances have been set high enough by the county board and city councils to justify sincere efforts on the part of the new judicial officers to serve the public adequately.

The only people who succumb to hard work are those who kill themselves dodging it.

Uniting Of Fund Drives

Ignored By Some Groups

With spring a peak season for various fund drives, many of them worthy causes, the question of procedure again arises. We feel the United Fund principle should be supported, with increased efforts locally and throughout the country to persuade all drive groups to join the cooperative fund or drop their solicitations.

The resulting unity in fund-raising are many. Suffice it to say that it is an imposition on both drive volunteers and contributors to ask them to deviate from time and again from the program of grouping all campaigns into a single, concerted drive. If they are willing to give adequately of time and funds once a year to meet the joint goal of all groups, this should be enough.

Even though good cause can be made for an isolated exception, the present large number of solicitations indicates a lack of sympathy for the UF plan among too many fund leaders either here or nationally.

As backers and believers in the United Fund, we disagree with those attempting to fragment local welfare giving and we urge them to join up. The fund has made membership easy for all deserving groups willing to participate.

WHEN SPRING IS "BUSTING OUT" ALL OVER concrete pavement isn't... and taxpayers save money!

Detours—one sign of spring that costs you money! You won't find them where there's concrete!™

The toughest winters and the "spring break-up" season can't hurt concrete. You'll find no potholes, ruts and washouts to plague drivers.

Concrete is tremendously strong—no pavement could be stronger even if carved from solid rock. "Frost boils" can't push through it. It bridges soft, thawing ground beneath it. Upkeep costs stay low—all year long, year after year. Concrete's moderate first cost isn't just a down payment!

Granite City and Madison civil defense units will take part in a 25-a-mile-per-hour salary

just voted for the board secretary. A \$50 increase it compares with a \$75 secretary salary in the much larger Granite City school system.

Perhaps there may be some good reason for the substantial raise, but it seems unlikely that the Venice position is more demanding than those of the other two local districts.

The pay is intended by law only for secretarial work by the member, not as salary for traditionally non-salaried service on the board. This point comes to mind in noting that the post has been rotated frequently among the Venice board members.

If there are unknown factors that justify the high salary, an explanation of them would clarify the issue.

The trouble with asking someone for advice is that he will usually take time to give you some.

Constitutional Revision Must Provide Some Basic Taxing Limits

The visit by Gov. Otto Kerner, occurring early in his administration and in the midst of a busy legislative session, was an honor to the Quad-Cities. It also proved enlightening to hear from him directly of the problems being encountered, mostly financial, and we share his wish that improvements can be made. But we cannot agree that financing methods should be left entirely to the state legislature.

There is little doubt that the passing years have created a need to change the Illinois constitution. But we believe constitutional revision would have a much better chance of approval if a few rules and limits are included in the amendments.

Our understanding of the proposal is that the General Assembly would be given completely free reign to propose whatever changes it sees fit, all of which is quite essential. The goal would be a pay-as-you-go principle, saving interest costs. Whether this would result in an income tax is disputed by Gov. Kerner, but it clearly would open the door for such a tax whenever the governor and legislators or their successors decided to impose it. And such taxation nearly always is an addition to other taxation requirements.

Like the governor, we would like to see Illinois a leading state in personal income, standard of living, care for the aged and mentally ill, highways, schools and scenic beauty. Reasonable tax increases and possibly some shifting of the tax burden may be in order, provided that accurate and thorough studies are made to ensure fairness. It is true that constitutional revision has failed six times since 1870, and detailed controls proposed on these occasions may have been a factor if they were poorly written. But controls must not be omitted entirely, or this surely will doom a seventh revision attempt. This is no reflection on the legislators. Cool heads and ample time are necessary on basic issues and limits, and this is not possible during the hectic, closing days of the legislative period, when most controversial bills are passed.

The open day for the 15th annual pinewood derby was held Saturday evening at the home of William Russell, 3125 Granite Drive, with Paul Morris, president, conducting the meeting.

Mrs. Hogan presented the names of several families who sponsored the scholarship project. George Swager, Jesse Sparks, John Geiger and Frank Vesel.

Homer Johnson, finance vice-president, reported that the permanent pool has been employed with the exception of a male life guard.

Preparations for the meeting were made by James Spangler, special chairman of operations. He said that the weather has hampered most of the work necessary to get the pool ready, but that some progress has been made.

Plans call for the draining and repainting of the pool; better control of the water level; Dutch door from the concession stand to the patio and marking an approved area for smoking.

Andrzej Magyar, chairman of the finance committee, reported that trees and shrubs have been planted on the grounds and that more are to be planted. * * *

LIFELONG PRESIDENT of the Quad-City area, Mrs. F. Arville Frohardt, 61, who succumbed Friday night following a long illness.

Mrs. Arville Frohardt, III 11 Months, Dies

Mrs. F. Arville Frohardt, 61, of 2806 Madison avenue, native of the Quad-City area, died at her home at 9:05 p.m. Friday after an illness of 11 months. Death was due to complications from brain surgery which she underwent last May.

Mrs. Frohardt was first secretary of the Protestant Welfare Association which it was organized here. Born in Venango, she had resided in Granite City for the past 60 years.

A past president of the Lesche Library Club, she was a member of the Niedrichau Methodist Church and the Women's Society of Christian Service there, and served as a committee member at Central Christian Church for 13 years prior to becoming ill.

She was also a past officer of the Girl Scouts, taught at the monthly meeting Wednesday at Niedrichau church.

Prayer was offered and Mrs. Agnes Graham of Poplar Bluff, Mo., is staying with the family. Mrs. McMurtry has been in their home.

Rev. Fred Helle was the visiting minister Sunday at the Bend Road Baptist Church. The WMU and Brotherhood meetings will be held Tuesday at 7 p.m.

Presentation— Civic Award

(Continued from Page 1)

The diplomas were presented to Mr. and Mrs. John and Mrs. Louis Kibert and Mr. and Mrs. Ray Sharp as Mr. and Mrs. Bob Boyd received the award for teaching the square dance and round dance numbers at the Madison recreation center each year.

Over 500 parents, relatives and friends attended the exercises. Five specialty dance numbers were given by the Civic Achievement Award cup and individual citations to the two winners.

Names of each year's winners are described on the trophy, presented to each winner and displayed by them during the ensuing years.

Basis Of Award

Schmitt, area manager of the Illinois Power Co., was chosen because of his widespread and effective activities which have included his service as chairman of the Granite City Plan Commission and as a member of the Citizens' Master Sewer and Drainage Committee, Granite City War Memorial Committee and Chamber of Commerce post office committee.

Gamer was enjoyed, and refreshments were served to 32 guests.

W. H. Bone, 1322 Carr street, has been at the DePaul Hospital, St. Louis, undergoing treatment.

County Board Will Reorganize Tuesday

The Madison county board of supervisors will reorganize during a meeting at Edgewoodville on Tuesday evening. The supervisors and assistant supervisors elected April 4 will be seated.

New members will include Assistant Supervisor William Allen, who replaces Terry Francis of Granite City, and Jay D. Mauer, Veneto township, who replaces Walter O.

Nelson O. Hagner, newly-elected Granite City township supervisor, formerly was an assistant supervisor. His term as assistant has two years to run, and it is expected the Granite City council in its capacity as the new board will make an appointment tonight.

A resolution was submitted to last week's council meeting to increase the county's budget.

John A. Edwards of St. Louis was arrested Sunday morning on Madison avenue by Granite City police who charged him with speeding. He was freed on \$1 cash bail.

Charged With Speeding

Mr. and Mrs. John and Mrs. 917 T. Rogers, who recently have received word from their daughter, Theresa, that she became the bride of Wayne Rogers of Dallas, were at the home of their son, Harold Rogers, "the Middle," who was given by Dr. Cortney Burroughs, minister of the First Presbyterian Church of Alton.

The president of the American Legion, Bert Terry, called the meeting to order. Introductory remarks were given by Robert Harlow, principal of the school, and Dr. Lawrence Tallman of Southern Illinois University, who spoke on "Student Government—What Is Its Role and Responsibility?"

Films on "Good Sportsmanship" and "Leadership" were shown, with a discussion session at the conclusion.

The group enjoyed lunch in the cafeteria of the school. The afternoon session began with a report on a state convention, with another discussion.

Harold Rogers, "the Middle," was

given by Dr. Cortney Burroughs,

minister of the First Presbyterian Church of Alton.

ALDERMANIC CANDIDATE SPENT \$91.85 IN 6TH WARD

Mr. C. E. Townsend, Editor
Granite City Press-Record
Granite City, Illinois

Dear Mr. Townsend:

Rev. R. D. Shaw, of the Trinity Church, National and addressed most recently, has been removed from our list of candidates. His name will not be revealed if anonymity is desired. Letters should be no more than 100 words or less.

Our 6th Ward looked very important; according to the records of the April 4, election.

Do you know what the figures were in the 6th Ward? Approximately 29% of the total city wide valid vote was cast in the 6th Ward. I am proud that 49.1% of the registered voters in our Ward turned out to vote. However, I feel we should be concerned about the 50.8% who stayed at home.

While 37.2% of the 6th Ward voters were recorded; it is regrettable that 12.74% or 530 ballots were spoiled. This is probably due to lack of knowledge or awareness. Before our next election, it can be corrected with a little community team work since a percentage of the people are voting their ballots improperly; it would be a real service to everyone in our city, if the Press-Record would do just what it has done.

Voting for the candidates of our choice is an American privilege, not necessarily a duty or obligation. Good luck to all who go to the polls to do a good job of voting; want to be sure their particular job of marking an X in the right spot is well done.

PRAISES ARTICLES

ON FLUORIDATION

Mr. C. E. Townsend, Editor
Granite City Press-Record
Granite City, Illinois

Dear Mr. Townsend:

I congratulate you and your fine paper for your excellent series of articles on Fluoridation. You have displayed a keen sense of excellent judgment in putting forth the facts on fluoridation.

The interest shown by your paper has taken away the doubts in many minds on the controversial subject of Fluoridation.

However, the reaction of our church members has manifested itself at the polls, and will also manifest itself in the dental health of our children.

I also want to congratulate the people of Granite City for voting in the proposal for fluoridation.

In the years I've been married

and due time they will reap the dividends of this excellent health measure.

Sincerely,

PARENT SAYS PAROCHIAL SCHOOLS NEED AID

The Forum:

I write this letter with sincere respect for my Protestant and other non-Catholic neighbors. I hope you will receive it cordially.

I also want to congratulate the people of Granite City for voting in the proposal for fluoridation.

In the years I've been married

God has sent me the tremendous gift of motherhood. He has sent brand new souls into my care and I have been granted the grace which enables me to look beyond the soft pink-white flesh of a new born and realize that it is God's love which motivates me. In return for this gift I am in the utmost to raise these children to God in the church, and serve God on earth in preparation for heaven for eternity — must not only cloth and feed them and help them to physical needs but also teach them the way of God.

God has given me the desire to learn the truth and complete me up my mind whether I want to be federal-aid-to-education that is presently being debated. I do firmly believe that very soon something must be done to lessen our burden of taxation that is discriminated against because we are forced to educate the public school children.

God has given me the desire with joy if we are not aided in some way because he must howl with anguish when the little souls he has raised will be compelled to jump into the Catholic Church to learn of the Living God.

I hope you will examine our problem with clarity in your heart and come to realize the present system is unjust.

AN AMERICAN CATHOLIC

POINTS TO 31% VOTE VICTORY: PRIMARIES?

Mr. C. E. Townsend
c/o Press-Record
Granite City, Ill.

Dear Mr. Townsend:

In my own way I analyzed election returns and from the unofficial count I find that only one candidate — Andy Gasparone — won by 108 votes over the combined totals of his opponents. On the other hand based on the combined totals of the opposition, elected officials were soundly beaten at the following box score will show.

Doug 322, Opposition 8918, Opposition Margin 5780.

Stevens 5542, Opposition 7655, Opposition Margin 2113.

Sappington 5090, Opposition 7500, Opposition Margin 2826.

Haganauer 4218, Opposition 8428, Opposition Margin 4210.

Von Dees 4064, Opposition 8753, Opposition Margin 4694.

Ironically, Von Dees was elected despite the fact that he got only 31.7% of the votes. This does not compute with my memory in my book — but that is politics especially when there is a big field of candidates.

We then have to name these big fields to just 2 men.

I think a primary in city elections would be the final step to take in our city's affairs.

There would be no political and legal blocks to prevent it.

The cost of primaries would bring protests but you can see that the cost of primaries would bring the 31.7% of the vote would not win an office. I have nothing against Mr. Von Dees — but his record (as assessor) was outstanding and I used it only as an example.

STEPHEN PRUSAK

REQUESTS CITY COMMITTEE TO STUDY FLUORIDATION

Honorable Leonard R. Davis

Dentist, Maywood

Perhapas you will be interested to know about some of the activities which have unfolded in recent weeks and pertains to attempts made to bring about a public debate on the subject of water fluoridation.

On March 10, the Granite City Dental Society agreed that the Society would be represented in a public debate on the subject of fluoridation.

Plans were formulated, a speaker engaged, and the auditorium of the high school arranged for and announcements prepared. One week later, a member of the Dental Society called and stated that after having contacted the State Dental

F the start of the Texas division and Dow's current five-year effort to enter the fiber optics market, not to excuse poor performance, but to improve all of our operations.

But the best of plans take a 10-year period, many changes have taken place; the local plant has been renamed the Dow Metal Products Co. a division of the parent company, and the Madison plant has expanded its interest from magnesium to the field of aluminum, in general, with emphasis on aluminum and magnesium.

Difficulties in establishing the plant were compared to the early days of the parent firm; nearly all of the management is great

and educated in the Catholic school system where God is a part of everyday life. Of course, we teach religion in our schools. We would have it no other way. The public schools have been forced by a minority to refrain from any reference to God in their curriculum.

We Catholics have made many sacrifices to continue our schools and we have borne this load for so long it seems like it is.

These terms would have some piqued time . . . that the two

we are not able to occupy the platform at the same time . . . that questions from the audience would be submitted on cards and scrolls. These terms were adopted when the announcements were changed.

One week before the talks were given, the new members of the Society would have participated at As. As a result of this reversal, only the opposition position was engaged in the discussion. It was too late to change the announcement again (it couldn't afford it anyway), and as a consequence, the public turnout was disappointingly light.

I feel that any idea or measure which is sound, beneficial and true will stand up under examination. Education is fundamental to legislation.

The Congress down to our own City government engages in debates on the issues. So why be feared from debate?

The percentage of plurality margin (35.7%) the fluoridation supporters had over the opposition should be observed in the passing of an ordinance which will have deep and lasting consequences on the entire community.

Since the Tri-City Dental Society has refused to participate in a public debate, I suggest that a closed hearing be conducted in a room provided by an Altonian Investigating Committee with both factions represented.

I sincerely hope that you consider this proposal seriously.

Respectfully yours,

HOPES SCHOOL ELECTIONS WILL GROW IN IMPORTANCE

To the Editor:

Now that the Granite City School Board has been formed, we want them to know what we want. I sincerely hope politics will be less an issue.

It is a known fact that controversial issues will grow in importance with the growth of population in any group or program. Let's hope the past election will have that effect. School elections will and should grow in importance, and voters as always decide the outcome.

I haven't any ax to grind. No political or economic furtherance. I am primarily interested in good schools, good teachers and a progressive administration.

Plus a functional Board of Education. These things we have had. I see no reason why they should continue.

I strongly favor a continuing positive emphasis on the academic side of education and mine. This I feel would be best accomplished if the teachers would act less like the teamsters. More like professionals which they are and deserve.

Respectfully yours,

Harold O. Hill

Accidental Verdicts In Burnett, Chavez Deaths

Accidental verdicts were returned by a jury Thursday night into the traffic deaths of George O. "Chuck" Burnett, 21, of 2208 Wilson avenue, and Edward J. Chavez, 21, Engineer Depot soldier, Deputy Coroner Henry Pieper said.

Pieper, who conducted the inquest, said the accident in which Burnett was caused by a crushed chest and internal injuries and that Chavez died of a skull fracture during internal injuries.

The inquests resulted from a head-on road crash at Edwardsville road at 20th street on April 15.

Police officers, Samuel Avendan and Ira Smith, who were at the accident scene, testified in accordance with their original statements, that the accident occurred when the southbound Chavez was traveling in the wrong

direction.

Officer Sees Hit-Run Crash, Makes Arrest

Changes of negligence leading to the scene in the 2000 block of Madison avenue were placed against George O. Jones, 22, of 2055 Cleveland Avenue, who was arrested at 20th street and Grand Avenue by a Granite City police officer who witnessed the accident.

The officer, Samuel Avendan, said Jones made a left turn off 21st street onto Madison at a high rate of speed and as he turned south, struck a parked car belonging to Tony Mossa, 43, of 2039 Madison.

Jones was released Sunday on \$300 property bond.

"First on the east side of the river" was the way Rev. Samuel Boda, pastor of St. John Lutheran Church, described a recent award for architectural design which has been presented to architect William Flippo, who drew up plans for the new school.

Flippo's design of the new school at St. Clair and Dale avenues won the second award in a contest sponsored by the St. Louis Producers' Council under the religious category.

"One of the judges, in examining the structure and design of St. John's Lutheran church, commented on the local contribution for the initiative and vision in choosing a contemporary form of architecture in a community where there is very little if not anything, among churches," Rev. Boda said.

Rev. Boda also said that Flippo's design is "modern, graceful and devoted to an ideal, despite of an unrealistic budget."

The pastor added that visiting the new school, estimates the cost of the building at twice the actual amount which, including all furnishings, are \$40,000. Construction work is made for architectural work done in the Greater St. Louis area over the past three-year period.

Man Cut By Power Saw Requires 41 Stitches

Norman Gardner Jr., 22, of 2770 Nameoki drive, suffered a deep gash on his right leg while he was operating a hand power saw in his garage at 9 p.m. Thursday.

He was taken to St. Elizabeth Hospital, where 41 stitches were applied to the cut. The accident occurred when he stepped on an electric cord connecting to the saw, causing the tool to jar loose from his hands.

John Nemeth, 18, son of Mr. and Mrs. Joseph Nemeth sr., 1861 Spring avenue, suffered a similar accident when he fell while participating in a track meet at Coolidge junior high school Thursday afternoon. Four stitches were taken on his right arm at 7:30 p.m. and he was released from St. Elizabeth Hospital.

Regina Memmick, five-year-old daughter of Mr. and Mrs. Randolph Memmick, 206 Clark avenue, was accidentally struck with a tin can and six stitches were taken on a cut on her scalp. She was released from the hospital after treatment at 7:30 p.m. Thursday.

John Krekovich Jr., 15-month-old son of Mr. and Mrs. John Krekovich, 2416 Lynch avenue, received six stitches for a cut to his right eyelid after he had fallen at his home. He was treated at 7:20 p.m. Thursday at the hospital.

Laura Ciser, 13, daughter of Mr. and Mrs. Robert Ciser, 2430 Waterman avenue, fell while skating on the ice rink Saturday and fractured her right wrist. A cast was applied after x-rays at the hospital.

Local Firm Changing Name To General Steel Industries, Inc.

Consolidated net income of General Steel Casting Company for the first quarter was \$50,750,000, compared with \$22,378,000 at the same time in 1960.

At the meeting, stockholders voted to accept a proposal to increase the authorized common stock to 3,000,000 shares from the presently authorized 500,000 shares. They also approved changing the corporate name to General Steel Industries, Inc.

The reason for the sharp increase was the acquisition last June of the St. Louis Can Co., which now operates as wholly-owned subsidiary.

Consolidated net sales in the first quarter of 1961 amounted to \$23,371,234, in comparison with \$19,775,661 in the corresponding period a year earlier. After provision for taxes, net income was \$798,363, equal to 87 cents per share outstanding on March 31. In the first quarter of 1960, the company earned \$352,394, or 43 cents per share on the \$15,230 common shares then outstanding.

Headache also reported that backlog of unfilled orders at the end of March was \$1,000,000.

The following directors were re-elected: James K. Elbert, Horn Ely Jr., W. Ashley Gray Jr., Meredith C. Jones, Lundell A. Kleber, James Macdonald, Edward C. Miller, Henry E. Pfleider, Winthrop E. Reed, C. Lothrop Ritchie and Charles P. Whitehead.

The following officers were re-elected: James K. Elbert, Horn Ely Jr., W. Ashley Gray Jr., Meredith C. Jones, Lundell A. Kleber, James Macdonald, Edward C. Miller, Henry E. Pfleider, Winthrop E. Reed, C. Lothrop Ritchie and Charles P. Whitehead.

A film showing advances being made through use of optical instruments was presented at the Noonday Optimist Club meeting Thursday at the Elks Club.

Entitled "Report Card on Vision," the movie demonstrated types of instruments being used to aid optometrists and how they are helping school students.

President William Obermeier, St. Louis sales representative for the Bausch & Lomb Co. which makes the devices, the film illustrated how eye-glasses aided a student in improving his grade from "F" to "A" and that one in five need optical aid.

In the business session, Jack Denehy, chairman of the bicycle safety week program, presented plans for progressing.

Guests included Dr. Clifford Matson, local optometrist, and Dr. John "Tip" O'Neill, Earl Mathis of Godfrey, guest of Claude Cochran. The meeting was attended by 45 members.

Youngsters, Adults Hurt In Minor Mishaps

Emergency crews treated Sunday at St. Elizabeth Hospital included a number of youngsters and several adults injured in minor mishaps.

Ricky Singleton, 8, son of Lloyd Singleton, 2820 Lincoln avenue, cut his right arm in a fall and pieced while William Morris Jr., 13, of 2704 Saratoga avenue, suffered steam burns to his right forearm.

Larry Anderson, 15, son of Roy Anderson, 2810 Lincoln avenue, was hit on the head with a ball bat and was treated for a one-inch cut in his forehead. Brian Bisch, Jr., 14, of 2311 East 25th street, cut his left hand on a piece of glass.

Sylvia Arnold, 33, of Hotel Stamford, injured her knee getting into a car, and Stanley Walk, 41, of 4921 Mueller avenue, was admitted after injuring his back in a fall.

Leaving Crash Scene, Charge Is Filed

A charge of leaving the scene of an accident was placed against Don Carlos Shanks, 25, of St. Louis, who was arrested by Venice police early Saturday morning. Shanks had been driving after receiving a report that a car had crashed through a fence at the home of a Mr. Rattler at 505 McDowell street.

Shanks was arrested at Second and Bissell streets by police enroute to investigate the report made by Rattler. They returned to the scene and he was identified by the property owner.

Shanks was released on bond and is to appear for a hearing next Saturday.

UNUSUAL FIRE LOCATION in a mailbox at 1235 Edwardsville road, is examined by Granite City Postmaster Theodore Overbeck (top, center) and Supt. of Mails Arthur L. Metcalf (kneeling) after Granite City firemen had extinguished the blaze Friday afternoon with little damage to mail. It had been placed in the box for later mail delivery to residents of the area. A smoldering cigarette was apparent cause of the fire.

Fire In Mailbox Causes Slight Damage

Firemen from the downtown Granite City station were called to 1235 Edwardsville road on the evening of Friday afternoon when the contents of a mailbox had ignited. They used a carbon dioxide extinguisher on the smoldering fire until post office department employees arrived and put it out. Granite City Postmaster Theodore Overbeck arrived and removed contents of the box.

Overbeck praised the firemen "not second to the mail workers" and said the contents of the box were the most part mail to be delivered to residents of the area and that one package appeared deliverable.

Cause of the fire was not determined, but the postmaster said it apparently was accident, and was not caused by the contents of the box. The fire was about a month ago when vandals dropped wadded paper and matches into a mailbox at 20th and Omaha next month.

Laird Infant Son Is Stillborn

An infant son was stillborn (or Mr. and Mrs. Norman Lee Laird, 2432 (rear) First street, TR. 5-2920) on Friday evening. The father is a student at St. Elizabeth Hospital. The father is a loan company manager.

In addition to the parents, the infant is survived by the wife of Mr. and Mrs. Laird and Mrs. James F. Laird and maternal grandparents, Mr. and Mrs. Clarence Lancaster, all of Gran-

teral. Funeral services were held today. Further information appears in today's obituary column.

Fined \$5 For Speeding

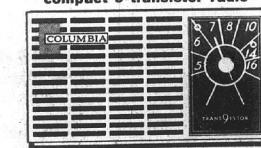

Emmett Dooley, Jr., 19, of 4129 North street, who was arrested on two charges Friday afternoon at 30th street and Madison avenue, pleaded guilty yesterday to one of the charges. He was fined \$5 and costs. He pleaded guilty to speeding and was fined \$5 and costs. He pleaded guilty to driving a motor vehicle without a driver's license and was fined on \$16 cash bail for a hearing next Saturday.
